The depositor and the Custodian make the following agreement:

Except in the case of a rollover contribution described in section 402(c), 403(a)(4), 403(b)(8), 408(d)(3), or 457(e)(16), an employer contribution to a simplified employee pension plan as described in section 408(k), or a re-characterized contribution described in section 408A(d)(6), the custodian will accept only cash contributions up to \$5,500 per year for 2013 through 2017. For individuals who have reached the age of 50 by the end of the year, the contribution limit is increased to \$6,500 per year for 2013 and 2017. For years after 2017, these limits will be increased to reflect a cost-of-living adjustment, if any.

2. No part of the custodial account funds may be invested in collectibles (within the meaning of section 408(m)) except as otherwise permitted by section 408(m)(3), which provides an exception for certain gold, silver, and platinum coins, coins issued under the laws of any state, and certain bullion.

Article IV

1. Notwithstanding any provision of this agreement to the contrary, the distribution of the depositor's interest in the custodial account shall be made in accordance with the following requirements and shall otherwise comply with section 408(a)(6) and the regulations thereunder, the provisions of which are herein incorporated by reference.
2. The depositor's entire interest in the custodial account must be, or begin to be, distributed not later than the depositor's required beginning date, April 1 following the calendar year in which the depositor reaches age 70 ½. By that date, the depositor may elect, in a manner acceptable to the custodian, to have the balance in the custodial account distributed in:
 - a. A single sum or
 - b. Payments over a period not longer than the life of the depositor or the joint lives of the depositor and his or her designated beneficiary.
3. If the depositor dies before his or her entire interest is distributed to him or her, the remaining interest will be distributed as follows:
 - a. If the depositor dies on or after the required beginning date and:
 - i. The designated beneficiary is the depositor's surviving spouse, the remaining interest will be distributed over the surviving spouse's life expectancy as determined each year until such spouse's death, or over the period in paragraph (a)(iii) below if longer. Any interest remaining after the spouse's death will be distributed over such spouse's remaining life expectancy as determined in the year of the spouse's death

- and reduced by 1 for each subsequent year, or, if distributions are being made over the period in paragraph (a)(iii) below, over such period.
- ii. The designated beneficiary is not the depositor's surviving spouse, the remaining interest will be distributed over the beneficiary's remaining life expectancy as determined in the year following the death of the depositor and reduced by 1 for each subsequent year, or over the period in paragraph (a)(iii) below if longer.
 - iii. There is no designated beneficiary, the remaining interest will be distributed over the remaining life expectancy of the depositor as determined in the year of the depositor's death and reduced by 1 for each subsequent year.
- b. If the depositor dies before the required beginning date, the remaining interest will be distributed in accordance with (i) below or, if elected or there is no designated beneficiary, in accordance with (ii) below:
- i. The remaining interest will be distributed in accordance with paragraphs (a)(i) and (a)(ii) above (but not over the period in paragraph (a)(iii), even if longer), starting by the end of the calendar year following the year of the depositor's death. If, however, the designated beneficiary is the depositor's surviving spouse, then this distribution is not required to begin before the end of the calendar year in which the depositor would have reached age 70 ½. But, in such case, if the depositor's surviving spouse dies before distributions are required to begin, then the remaining interest will be distributed in accordance with (a)(ii) above (but not over the period in paragraph (a)(iii), even if longer), over such spouse's designated beneficiary's life expectancy, or in accordance with (ii) below if there is no such designated beneficiary.
 - ii. The remaining interest will be distributed by the end of the calendar year containing the fifth anniversary of the depositor's death.
4. If the depositor dies before his or her entire interest has been distributed and if the designated beneficiary is not the depositor's surviving spouse, no additional contributions may be accepted in the account.
5. The minimum amount that must be distributed each year, beginning with the year containing the depositor's required beginning date, is known as the "required minimum distribution" and is determined as follows:
- a. The required minimum distribution under paragraph 2(b) for any year, beginning with the year the depositor reaches age 70 ½, is the depositor's account value at the close of business on December 31 of the preceding year divided by the distribution period in the uniform lifetime table in Regulations section 1.401(a)(9)-9. However, if the depositor's designated beneficiary is his or her surviving spouse, the required minimum distribution for a year shall not be more than the depositor's account value at the close of business on December 31 of the preceding year divided by the number in the joint and last survivor table in Regulations section 1.401(a)(9)-9. The required minimum distribution for a year under this paragraph (a) is determined using the depositor's (or, if applicable, the depositor and spouse's) attained age (or ages) in the year.
 - b. The required minimum distribution under paragraphs 3(a) and 3(b)(i) for a year, beginning with the year following the year of the depositor's death (or the year the depositor would have reached age 70 ½, if applicable under paragraph 3(b)(i)) is the account value at the close of business on December 31 of the preceding year divided by the life expectancy (in the single life table in Regulations section 1.401(a)(9)-9) of the individual specified in such paragraphs 3(a) and 3(b)(i).
 - c. The required minimum distribution for the year the depositor reaches age 70 ½ can be made as late as April 1 of the following year. The required minimum distribution for any other year must be made by the end of such year.
6. The owner of two or more traditional IRAs may satisfy the minimum distribution requirements described above by taking from one traditional IRA the amount required to satisfy the requirement for another in accordance with the regulations under section 408(a)(6).

You represent to us that you have consulted or will consult with your own tax or legal professional to ensure that any listed or reportable transactions engaged in by your IRA are identified. You further represent and acknowledge to us that with respect to any listed or reportable transaction, you are considered the entity manager who approved or caused your IRA to be a party to the transaction and that you are responsible for: reporting each such transaction to the Internal Revenue Service, using the applicable IRA form, paying any applicable excise taxes, disclosing to the IRA custodian that such transaction was a prohibited tax shelter transaction; and directing us as to any necessary corrective action to be taken by your IRA. You acknowledge that the foregoing representations are being relied upon by us and you agree to indemnify us with respect to all costs, expenses (including attorney's fees), fines, penalties, liabilities, damages, actions, judgements, and claims arising out of the breach of the foregoing representations, including, without limitation, claims asserted by you.

Our determination shall be binding and conclusive for purposes of IRA fees based upon value.
 - j. **Earned Interest.** Depositor hereby specifically acknowledges that cash in the depositor's IRA, which the depositor has not yet directed to be invested, will be placed temporarily in an interest-bearing account of Custodian's choosing. 11. *Transfers from other Plans.*

We can receive amounts transferred to this IRA from the custodian or trustee of another IRA. In addition, we can accept direct rollovers of eligible rollover distributions from employer-sponsored retirement plans as permitted by Internal Revenue Code. We reserve the right not to accept any transfer or direct rollovers.

12. *Liquidation of Assets.*

- a. We have the right to liquidate assets in your IRA if necessary to make distributions or to pay fees, expenses, indemnities, taxes, federal tax levies, penalties, or surrender charges properly chargeable against your IRA. If you fail to direct us as to which assets to liquidate, we will decide, in our complete and sole discretion, and you agree not to hold us liable for any adverse consequences that result from our decision.
- b. In the event you fail to pay any fees, costs, indemnities, penalties, expenses or payments due to Custodian required by this Agreement or otherwise, and such amounts remain unpaid 10 days after notice from Custodian, immediately upon the expiration of such 10 day cure period you shall be deemed to, as collateral security for the prompt and complete payment of such unpaid fees or other amounts, pledge, assign and grant to Custodian to the maximum extent permitted by law and the Regulations, a lien on and security interest in all of your rights, title and interests in such portion of the custodial account, the Un-Invested Cash Funds and any other deposit, monies, accounts and other assets in such accounts or otherwise deposited with Custodian at such time in an amount equal to the amounts necessary to pay in full such amounts then due to Custodian. Upon the grant of such security interest as described in this Section 8.12(b), you hereby authorize Custodian to file all financing statements and other documents and take such other actions as may from time to time be necessary or desirable in the Custodian's sole discretion to perfect and to maintain the perfection and priority of such security interest. You understand and agree that pursuant to Section 408(e) of the Code the portion of any IRA funds pledged as collateral may be treated as distributed to that individual and subject to taxes, interest and penalties which you will be responsible for and agree to indemnify and hold Custodian harmless therefrom.

13. *Restrictions.*

Neither you nor any beneficiary may sell, transfer, or pledge any interest in your IRA in any manner whatsoever, except as provided by law or this agreement. The assets in your IRA shall not be responsible for the debts, contracts, or torts of any person entitled to distributions under this agreement.

14. *Applying Laws.*

This Agreement is subject to all applicable federal laws and regulations and shall be governed by and construed under the applicable laws of the State of Nevada. If any part of this Agreement is held to be illegal or invalid, the remaining parts shall not be affected. Neither your nor our failure to enforce at any time or for any period of time any of the provisions of this Agreement shall be construed as a waiver of such provisions, or your right or our right thereafter to enforce each and every such provision. Any suit filed against Custodian arising out of or in connection with this Agreement shall only be instituted in the county courts of Clark County, Nevada where Custodian maintains its principal office and you agree to submit to such jurisdiction both in connection with any such suit you may file and in connection with any suit which we may file against you.

15. *Asset Valuation Policy.*

- a. A statement of fair market value ("FMV") of your IRA will be transmitted to you by January 31 of each year, reflecting the FMV of your IRA as of December 31 of the previous year.
- b. With respect to securities that have publicly available prices, we will use such quoted prices to value those securities. Although such prices are obtained from quotation services and other sources, we believe to be reliable, we cannot and do not guarantee their accuracy and shall not be liable for its good-faith reliance on those quotation services. Where a brokerage account is held as an asset of your account, the FMV shall reflect only the total value of the brokerage account as reported by the brokerage firm to us for the IRA.
- c. With respect to Alternative Assets, you or another party (the "Valuation Agent") chosen by you and identified in writing to us must provide the FMV of such Alternative Assets to us at the time you direct us to acquire such Alternative Asset for your account and, with respect to the FMV of such Alternative Asset as of December 31 of each year (the "December 31 FMV"), you must provide such value by the fifteenth (15th) business day in January, or such later date as we in our sole discretion provide in our asset valuation procedures, of the following year (the "Cut-off Date"). For purposes of this section of the Agreement, "Alternative Assets" means investments that are not publicly traded, many of which are also generally considered illiquid and may include, without limitation, real estate, promissory notes, mortgages, precious metals, and interests in certain entities, including but not limited to limited liability companies, limited partnerships, private equity funds and hedge funds.
- d. You agree that the Alternative Assets such as limited liability companies, limited partnerships, private equity funds, hedge funds, and other similar entities you direct us to accept the FMV for any such Alternative Asset held in your account from the investment entity itself and hereby appoint each such entity (the "Investment Sponsor") as the Valuation Agent for your account's investment in the entity itself. You shall cooperate with us to cause each Valuation Agent to sign such documents as we shall deem appropriate or necessary to confirm the understanding and agreement of the Valuation Agent to its obligation to provide such December 31 FMV to us by the Cut-off Date. Failure of any Valuation Agent to provide a timely valuation shall be your sole responsibility, and we shall not be required to take any steps to secure an updated FMV for your account.
- e. We shall not be responsible for the timeliness or the accuracy of any FMV of any Alternative Asset furnished by you or a Valuation Agent. If you or any Valuation Agent furnish valuations in addition to the required December 31 FMV, we shall reflect the latest valuation received on an asset in your account statements on a timely basis, but we shall have no duty to inform you or to follow up with any Valuation Agent with respect to the status of any such additional valuation. Due to the nature of the Alternative Assets and the manner in which their valuations are reported to us, we cannot be, and are not, responsible for their accuracy and such valuations may not be as of the date of the account statement or online account viewing. Calculations for Alternative Assets from any source should not be solely relied upon by you or your agent for making purchase, investment or sale decisions; you and your agent should consider whether to take additional steps to substantiate the then current value of an Alternative Asset when making any investment decision concerning that Alternative Asset.
- f. We shall have no duty or responsibility to solicit any valuation for any Alternative Asset, including the December 31 FMV, from either you or the Valuation Agent. If we do not receive a December 31 FMV for an Alternative Asset for any year by the Cut-off Date, you hereby direct us to use as the December 31 FMV for such year, the last FMV provided to us, or if none, the original purchase price (each, as the case may be, the "Last Value").
- g. At any point after there has been a failure to provide us with a December 31 FMV for any Alternative Asset for a period exceeding 12 months, (A) we may, but shall not be required to, distribute such Alternative Asset at its Last Value to you, and we shall have no responsibility or liability for any tax, financial, or other consequences relating to or arising from such distribution, or (B) if such December 31 FMV is required to calculate the amount of a required minimum distribution (in accordance with IRC section 401(a)(9)); or if a FMV is required due to a court order or similar circumstance, we may, but shall not be required to, obtain an appraisal for such Alternative Asset from an independent third party, and the cost of such appraisal shall be paid by you or from the IRA. In addition, we may, in our sole discretion and upon notification to you, distribute the entire IRA in

satisfaction of the requirements of IRC section 401(a)(9), with any Alternative Assets valued at the Last Value, either (a) at any point after there has been a failure to provide us with a December 31 FMV for an Alternative Asset for a period exceeding 12 months; (B) if a December 31 FMV needed for the calculation of a required minimum distribution has not been supplied to us; or (C) if we know or have reason to believe that the FMV of the account is or reasonably appears to be unreliable or inaccurate.

- h.* If it is necessary to value an Alternative Asset due to your death, and a FMV is not supplied to us in a timely manner by the estate, your beneficiaries or Valuation Agent, we may, but shall not be required to, obtain an appraisal for such Alternative Asset from an independent third-party, and the cost of such appraisal shall be paid from the IRA.
- i.* We shall have no responsibility or liability for acting in reliance on a FMV reported by you or any Valuation Agent (including any Investment Sponsor) or for the accuracy of a required minimum Distribution calculated based upon the December 31 FMV of an Alternative Asset.
- j.* You shall indemnify and hold us harmless from any loss, damages tax or other consequences to you or the IRA arising from or relating to the valuation of an Alternative Asset, including us accepting, reporting and acting upon any FMV supplied by you or a Valuation Agent, or for using the Last Value as provided in this Agreement.
